

Canine Control Council Qld – Code of Ethics
IN PART

Section 2.

(a) I shall ensure that at all times all dogs under my control are properly contained within a fenced area or suitable enclosure, properly housed, fed watered, exercised and receive proper veterinary attention, if and where required.

(b) I shall not allow any dogs under my care to roam at large and when away from home ensure they are kept fully leashed, or under effective control at all times.

(c) I shall breed only for the purpose of improving the standard of the breed, and not specifically for the pet market or any other commercial purpose, yet I retain the right of free trade to directly advertise and sell dogs not retained by me for line maintenance purposes and I undertake to ensure that all progeny are registered and transfers to the new owner are completed promptly.

(d) I shall not breed from any bitch kept or owned by me causing it to whelp before it is twelve months of age.

(e) I shall not permit any of my purebred dogs to be mated to a dog of a different breed, to a crossbred or to an unregistered dog of the same breed.

(f) I shall not sell or otherwise transfer from my care any puppy under eight weeks of age, thus allowing for vaccination to be given at six weeks of age and the necessary fourteen days to take effect, and I will provide a current Vaccination Certificate.

(g) I shall ensure that all persons acquiring dogs from me clearly understand their responsibility for the care and welfare of the animal, as defined in 1 and 2 above.

(h) I shall provide to all purchasers of dogs sold or placed by me, written details of all dietary and immunisation requirements and/or an appropriate publication relating such requirements and responsible dog ownership.

(i) Subject to appeal

(j) I shall not knowingly misrepresent the characteristics of the breed, nor falsely advertise, or mislead any person regarding the performance of this dog.

(k) I understand the debarking of dogs is contrary to the Animal Protection Act (Qld) and acknowledge that Act.

(l) This Code of Ethics will be accepted and complied with in conjunction with and in addition to all current Rules of the CCC.
